BISCAYNE BAY KIWANIS CLUB

Change The World *One Child At a Time* By Joining the Biscayne Bay Kiwanis Club

The Kiwanis Club of Biscayne Bay is an all-volunteer service organization of professional men and women based in Downtown Miami that improves the lives of disadvantaged children in Overtown, Allapattah, and Midtown Miami through educational programs, field trips, and hands on service projects. Its membership is diverse like the Miami community it serves. The organization is versatile, as a service project can help alleviate almost any community need. It is vibrant, with many opportunities to serve each month. If you would like to give back alongside new friends—who could become lifelong friends—join Biscayne Bay Kiwanis.

Below are just some of the service activities in which you can participate

- Read with elementary school students at our partner schools
- Make presentations about careers, etiquette, civics, and life skills
- Chaperone on field trips to local attractions, museums, and sporting events
- Guided tours of the Everglades for children in shelters, public housing, and foster care
- Provide school uniforms, supplies, and backpacks to children in need
- Feed the homeless and give Thanksgiving meals to families
- Volunteer with disabled adults and provide holiday gifts, fun activities, and field trips
